## OUR ROCKIN' RULES

-Meat, seafood, & vegetables can be cooked on the rock. Please refrain from putting black pepper and sauces on the rock, they will burn. Please season and sauce food after it is cooked. Thanks!

-Hot rocking is like fondue without the oil. Use your tongs like a spatula to release your meat and seafood if it adheres to the rock.

-Watch children carefully. Even when the rock cools down some, it is never cool enough to touch.

-Due to the fact that the hot rock can melt the bar top, hot rocks can only be ordered at tables.

#### LET US KNOW IF YOU NEED A

**SECOND ROCK.** Your rock will stay hot for approximately 20 minutes.  
Take your time cooking, we can always bring you another rock.

\*Consuming raw or undercooked meat or seafood may increase your risk of a food borne illness
